*"Yum."*

Judy Finn, Neudorf Co-Founder & Rosé Aficionado

Pink Pinot Goodness.

Think diamonds and ballet slippers, with some street cred for good measure.

A soft, gentle entry blossoming into a refreshing, vibrant palate. This Rosé has everything you want in a subtle pink wine, with notes of crab apple, red currants, pink grapefruit and a lick of sassy acidity.

By no means simple, the wine intrigues, delights and dances across the palate. Bone dry but not aggressive.

Submerge a bottle of Neudorf Tiritiri Rosé in ice, slice some sashimi to share and bring on the summer.

This wine is made to be enjoyed.
